

Album Sizing Template Details

Album Spreads:

It's essential to use our updated sizing templates when preparing your album files. These new templates can be used with any paper type and now include an instructions layer with easy to understand guide placement and tips to help when designing your cover and spreads.

Album Covers:

After you have determined your desired paper choice, insert color, and spread count, use the chart below to find your cover. Be sure to use the correct cover file when ordering.
